Explanatory Note (This note is not part of the prescribed certificate) In terms of the Council Tax (Discounts)(Scotland) Order 1992 (as amended), a "student" is a person who is enrolled for the purpose of attending a specified course of education which persons undertaking it are normally required by the institution to attend for at least 24 weeks in each academic year and which, in the opinion of the institution, requires on average at least 21 hours of study, tuition or work experience in each of these weeks. The University considers that on the above date you were a student within the meaning of the Regulations.

Postgraduate students should note that the University issues certificates of student status only in respect of full-time students who are within their prescribed period of study, and those continuing PhD students in their 4th year of study (MPhil/MLitt in their 3rd year) who were previously registered as full-time.
